* Upgrade components, network components, and other materials must be purchased separately.

[†] For recovery services, a new disk is not included in the price stated. For backups, a \$.50 / GB surcharge applies for backups which exceed 40GB in size. Upon request, backups can be stored on a secure server for up to one year at no charge.

For PC setup, repair, upgrade, and data backup & recovery services, prices shown are for drop-off service. Free pick-up may be available based upon your location. On-site service is available for an additional \$10 / hr. A \$.15 / mile surcharge will apply for on-site service outside the following counties: NJ – Bergen; NY – Albany, Bronx, New York, Rensselaer, Rockland, & Westchester. Billing is incremented in 15 minute intervals, 1 hour minimum.
